<b>Programming</b>	Javascript, Python, Ruby, Node.js, Git

## Experience

### General Assembly — Software Engineering Immersive

Stamford, CT

ENGINEERING FELLOW

Mar. 2019 - Jun. 2019

- Built competency in full-stack development through a three month intensive program dedicated to prepare students to think like engineers and approach problems creatively in order to build the next generation of web applications and digital products.
- **Project 1: Streamsift** Web application that allows users to search for where movies and TV shows are currently streaming. Utilized: **jQuery, Utelly API, HTML5, CSS3**
- **Project 2: Sensei-YT** Developed a full CRUD app with RESTful backend server that allows users to add, watch, and comment on JiuJitsu videos found on YouTube. Utilized: **jQuery, Express, EJS, MongoDB, Mongoose, Heroku, YouTube Data API, Materialize CSS**
- **Project 3: JobHunters** Group project built for users to log in and save jobs that they find interesting. Users can select whether or not they have applied to the job after adding it. Utilized: **React, Express, MongoDB, Mongoose, Heroku, Materialize CSS**

### Pine and Iron Axe Throwing

Hartford, CT

HEAD THROWING COACH

Jul. 2018 - Mar. 2019

- Trained guests on correct axe-handling and proper throwing technique.
- Supervised groups to ensure all guests were following established safety rules and guidelines. Provided additional individual coaching to guests who experienced difficulty hitting the target with the axe.
- Utilized expert communication to coach a visually-impaired guest to hitting the target successfully.

### Cardio Express

East Hartford, CT

MEMBER SERVICE REPRESENTATIVE

Mar. 2018 - Nov. 2018

- Engaged with future gym members in building a personalized fitness program using the amenities and services provided by Cardio Express. Averaged a closing percentage of greater than 85% for new member signups.

### Mecklenburg EMS Agency (MEDIC)

Charlotte, NC

EMERGENCY MEDICAL TECHNICIAN - BASIC

Apr. 2016 - Jul. 2017

- Operated an ambulance in a 9-1-1 response capacity to respond to medical emergencies in the county
- Delivered appropriate patient treatment options with partner while adhering to scope of practice and HIPAA standards.
- Coordinated alongside fire department and law enforcement on scene management where applicable.
- Received multiple commendations for professionalism and patient care from superiors and patient families.
